PRIMARY CARE MENTAL HEALTH: INNOVATION AND TRANSDISCIPLINARITY

24 - 27 JUNE 2015

The Palace of the Parliament, Bucharest
Romania

Dear Colleague,

On behalf of the World Psychiatric Association and the Romanian Association of Psychiatry and Psychotherapy - EPA member, we are pleased to invite you to the WPA International Congress being held in Bucharest from 24 to 27th June, 2015 with the theme of **“Primary Care Mental Health: Innovation and Transdisciplinarity”**.

Leading researchers, policy makers and clinicians will be participating in this conference. As the theme suggests the conference will cover a range of topics: mental health, family medicine and public health with latest advances in neurosciences discoveries to health systems' performance innovations, and non-communicable diseases, ICT, telemedicine, collaborative, integrated care and many more.

The outstanding scientific program will consist of plenary sessions, symposia, workshops, fora, oral presentations, and e-Posters, and will include, for the first time in Bucharest, a joint symposium with the European Psychiatric Association..

Participants can benefit from an extended early bird registration until 28 February and special rates are offered for group registration. For more information, please access the official website of the congress, www.wpa2015bucharest.org.

You are cordially invited to be part of this world class event and contribute to its success by promoting the congress on the website of the Association you are proudly representing. We would suggest setting a link between the Association's website and www.wpa2015bucharest.org, to keep all members informed regarding this historic Congress taking place.

For any questions or additional information, please contact our Congress Secretariat at: secretariat@wpa2015bucharest.org, phone +40 21 211 30 60, +40 21 210 58 14.

Sincerely yours,
